

## Fill Three Needs with One Deed

The United Way of Tulare County can help you Fill Three Needs with One Deed – Reduce your carbon footprint, help the environment by going green and give back to your community. United Way of Tulare County has teamed up with Peña's Disposal to offer a unique opportunity to local business.

### How it works –

**Step 1:** Contact Peña's Disposal to enroll your business in the Fill Three Needs with One Deed program.

**Step 2:** Peña's Disposal will deliver recycling containers or bins to your business to collect marketable material – cardboard, plastic, beverage containers and ferrous and non-ferrous metals.

**Step 3:** You decide on the percentage of the recycling profits to be allocated to The United Way of Tulare County.

**Step 4:** Sit back and relish in the satisfaction of knowing your business is prepared to meet state mandated recycling regulation, you've helped the environment and are supporting a local organization.
